

Notes for completing the renewal of lapsing binding death benefit nomination form

- A lapsing binding death benefit nomination is valid for up to three years from the day after it was first signed, or last confirmed or amended.
- An existing lapsing binding death benefit nomination can be confirmed by you at any time in writing. The confirmation must be signed and dated but does not need to be witnessed.
- If you have more than one account (e.g. you may also have a First State Super accumulation account) note that this renewal will only apply to the account shown in **1. Your personal details**.
- You can amend an existing binding death benefit nomination by completing a new *Binding death benefit nomination* form and sending it to First State Super. This form is available by calling customer service on 1300 650 873. You can cancel a binding death benefit nomination by completing and returning a *Cancellation of binding death benefit nomination* form.
- We will write to you to acknowledge receipt of any nominations, confirmations or changes you make. If your nomination is invalid at the time of payment of a death benefit, the Trustee may exercise its discretion in determining the beneficiaries of any death benefit.
- You can only renew a current lapsing binding death benefit nomination. If your nomination has expired, you will have to complete a new *Binding death benefit nomination* form. Your current nominated beneficiary(ies), and the expiry date of your nomination, is shown on your last Periodic Statement. If you have updated your nominated beneficiary(ies) since receiving your last statement, you can login to your account online or call customer service to check the details.
